The Board of Directors may, by a unanimous vote of those present, extend to any officer of the regular Army, Navy or Marine Corps of the United States the privileges of the Club for six months upon payment of regular monthly dues. The Board may also, by vote, extend the privileges of the Club to the resident clergy. No member shall extend the privileges

of the Club to more than two visitors at any one time, without permission from the Chairman of the House Committee.

Persons residing within twenty-five miles of the Club House may be introduced into the Club when accompanied by and as the guest of the introducing member; but not oftener than once in a calendar month by the same member.

## IX.

### INITIATION FEES AND DUES.

The initiation fee of members thirty years of age and over shall be two hundred dollars and of members under thirty years of age one hundred dollars.

The dues of members, until changed pursuant to the By-Laws, shall be payable quarterly in advance on the first days of January, April, July and October, in each year, at the rate of eighty dollars per year for members thirty years of age and over and at the rate of sixty dollars per year for members under thirty years of age.

New members shall pay dues at the same rate for each unexpired month and fractional part of a month in the current quarter.

On application to the Board of Directors a member may have one-half his dues remitted during his absence from the State, if such absence shall be for six months continuously.

Members elected by the Board and residing more than twenty-five miles from the Club House shall

pay Fifty Dollars initiation fees and Twenty Dollars annual dues.

Whenever a non-resident member shall cease to belong to that class by actually residing or spending the principal part of his time, or by having a place of business within twenty-five miles of Louisville, he shall thenceforth be classed as a resident member and shall thereafter pay full annual dues.

Every non-resident member who shall become a resident member shall pay an amount equal to the difference between his original initiation fee and the entrance fee for resident members at the time of his admission as a non-resident member, and a failure to pay said sum shall be considered a failure to pay initiation fee and assessment dues.

## X.

### PAYMENT OF ACCOUNTS.

Members' accounts are due on the first of each month for all indebtedness incurred in the previous month. Accounts must be paid on or before the close of the month succeeding that in which the indebtedness is incurred. Names of members whose accounts are not so paid will be placed on the bulletin board of the Club on the first of each month and remain fifteen days, or until the account is paid. Upon all indebtedness not paid prior to the fifteenth day of the second month succeeding the month in which said indebtedness was incurred, there shall be added a penalty of three per cent. upon the amount thereof,

if thirty-five dollars or over, and one dollar if under such amount, and an additional penalty of two per cent. shall be added upon the fifteenth day of each succeeding month that such indebtedness remains unpaid.

Any member posted for non-payment of his accounts shall not receive further credit until his account is paid, and when posted for fifteen days shall be subject to suspension or expulsion at the option of the Board. Notice of this suspension of credit shall be sent him by the Treasurer.

No member's account shall exceed two hundred dollars.

Any member whose name is posted for indebtedness, as provided herein, and who shall fail to pay such indebtedness within one month from date of posting, shall *ipso facto* be suspended from all the privileges of the Club until said indebtedness shall be paid; but this shall not be construed to limit the power of the Board to suspend or expel as above provided.

## XI.

### EXPULSION OR SUSPENSION OF MEMBERS.

The penalty of expulsion shall not be inflicted except upon a two-thirds vote of the entire Board of Directors, or the penalty of suspension inflicted except upon a majority vote of the members present at the meeting of the Board.

Any member expelled shall have the right, within two weeks after notice of the action of the Board has been sent him, to require the Secretary to call a general meeting of the Club to consider the matter. At such general meeting a majority vote shall decide whether the judgment of the Board be affirmed, modified or reversed.

## XII.

### COMPLAINTS AND SUGGESTIONS.

Any member desiring to make complaints or suggestions to the Directors shall do so by reducing same to writing and depositing the communication in a complaint box provided for that purpose.

## XIII.

### NOTICES.

A member may inscribe in a book to be kept at the Club a mail address for notices. In the absence of such inscription a notice may be given by deposit in the mail addressed to him at Louisville, Ky., and the member shall be held to have received it within five days after it is mailed.

## XIV.

### RESTRICTIONS AND PENALTIES.

1. No member shall insult or strike another in the Club, or come or remain in the Club while intoxicated, or while there be guilty of any conduct that will bring reproach upon the Club.

For violation of this By-Law the penalty shall be expulsion or suspension for such period as may be fixed by the Board, or fine in such sum as the Board may assess.

2. Servants must not be fee'd nor reprimanded except by a member of the House Committee; nor shall there be any card-playing or service of refreshments except in the rooms set apart for that purpose; nor shall any publication belonging to the Club be taken from the Club House. For violation of this By-Law the penalty shall be a fine of five dollars.

3. No member shall remain in the Club House after 1 o'clock a. m., under penalty of ten dollars.

4. Gambling shall not be allowed in the Club and for any violation of this rule the Board of Directors may impose a fine not to exceed one hundred dollars.

5. The penalty for failing to pay a fine shall be expulsion.

6. The Board shall adjudge and enforce all penalties, and for any conduct of a member not in violation of the Constitution or By-Laws, but improper and prejudicial to the Club, he may be expelled or suspended for such period as the Board may fix, or fined in such sum as the Board may assess.

7. The Board shall have the right to call upon any member, including the accused, to make, on honor, a full statement, oral or written, in reference to any infraction of the laws of the Club, and he shall not be excused therefrom on the ground that such statement would be self-incriminating.

## XV.

### FISCAL YEAR OF THE CLUB.

The fiscal year of the Club shall commence November 1st and end with October 31st of each year.

## XVI.

### AMENDMENT OF BY-LAWS.

No alteration or amendment shall be made in these By-Laws except upon an affirmative vote of two-thirds of the members of the Board of Directors. Due notice of all alterations or amendments shall be given members by posting same on the bulletin board of the Club immediately upon their passage by the Board of Directors.

## XVII.

### NOMINATIONS AND BALLOTS.

After the annual election on the last Monday in November, 1916, no member is eligible to be elected at an annual meeting an Officer or Director in the Club, unless his name shall have been posted in nomination on the bulletin board of the Club at least ten days before the annual election.

The Secretary of the Club shall cause ballots to be printed, containing all names so posted, alphabetically arranged, and shall furnish the same to the members of the Club at the opening of the meeting at which the election is to take place.
